

## **PROF. DR. DANIELA ELSNER**

Executive & Top-Management Coach | Former Senior Leader & Strategic Advisor

Frankfurt am Main, Germany | International work (Europe & beyond)

Languages: German (native), English (C2), French (B1), Spanish (A2)

### **EXECUTIVE PROFILE**

Prof. Dr. Daniela Elsner is an executive and top-management coach, strategic sparring partner and former senior leader with extensive experience in governance, organizational leadership and decision-making in highly complex and regulated environments.

She held senior executive and board-level roles within large public institutions, including responsibility for strategic development, institutional governance, leadership of multinational teams and participation in high-stakes budgetary and executive appointment decisions.

Since 2017, she has advised CEOs, top executives and leadership teams as an independent executive coach and strategic advisor. Her work focuses on decision-making under pressure, leadership sustainability, psychological self-leadership and the private cost of responsibility.

She combines deep psychological expertise with first-hand leadership experience and a profound understanding of complex systems, making her a trusted sparring partner for leaders operating at the highest levels of responsibility.
